

## “Small Town”

Words and music by Donny Douglas

## Intro: E A B B x 4

## Verse

A E

I saw you last night,

# A E

such a long time baby just ain't right,

B E

I thought I'd

## EXDDA2

## A E

Can I say that you look fine.

I guess the time was right but we just ran out of years,

A D C A

You take it as it comes

A D C A

Yeah, you take it as it comes,

G

You gotta give a little love, take a little too,

A

when it all works out that's all that lovers do

E A B B x 2

*Second Verse*

I gotta find a way to get someone new

cause that's the only way to release my mind from you

if it takes all night, if it takes all year,

I'm gonna find a way to get me out of here,

E B A

Cos in this small town, there ain't room for the both of us,

E B A

Cos in this small town, there ain't room for the both of us,

E B A

Cos in this small town, there ain't room for the both of us,

E B A

Cos in this small town, there ain't room for the both of us,

*Solo*

## Chorus

D A

I could cry all night, but what use are tears

D G A

I guess the time was right but we just ran out of years,

A

You take it as it comes

A D C A

Yeah, you take it as it comes,

G

You gotta give a little love, take a little too,

A

when it all works out that's all that lovers do

### *Solo on EAB*

E B A

Cos in this small town, there ain't room for the both of us,

E B A

Cos in this small town, there ain't room for the both of us,

E B A

Cos in this small town, there ain't room for the both of us,

E

B

A

Cos in this small town, there ain't room for the both of us,

*to end*
